

October 17, 2009 Panoramic Hill Walk Led by Ron Sipherd

There are some step climbs on this walk but plenty of places to catch your breath. Ron Sipherd provides a rich history of the culture and architecture of the Panoramic Hill area.

The walk begins at the foot of Panoramic Way at Orchard Lane. AC Transit lines #52L, #7 and #51 serve the area.

All materials for the walk, including printable map, can be found here:
