

Our Newest Path Will Honor John Muir

Our newest path will also have a new name. Completed this fall, Keeler Walk (#32 on our map) soon will be christened John Muir Path. It is the 34th path that BPWA volunteers have built with wood timbers and connects Grizzly Peak Blvd. and Creston Rd., midway between the end of Euclid and Marin Aves. Give us a Hand

If your New Year's resolutions include getting more exercise and doing more community service, then we have a perfect way to accomplish both — and have a great time while you're at it. Come to a path maintenance work party and help us sweep, weed, and trim. In just a few hours, we can make a path safer and more beautiful.

These are the two paths we're tackling this month:

Monday, January 16 @ 11:30

Stoddard Path

Between Miller Ave. and Grizzly Peak Blvd.

Saturday, Jan. 28 @ 10:00.

Mosswood Lane

Near the bottom of Panoramic Way, between Orchard Lane and Mosswood Road

Meet us at the bottom of each path. We'll supply gloves and tools, but feel free to bring your own — especially

small clippers. Refreshments will be served. Heavy Rain cancels. Please rsvp to [Mary Lynch](#).
